Participants book their journey themselves.

Since public parking spaces in the district of Berlin Mitte are very limited, we recommend using public transport. The nearest S-Bahn stop is "Hackescher Markt": <http://www.s-bahn-berlin.de/fahrplanundnetz/bahnhof/hackescher-markt/68>

To all participants who arrive the evening before, we recommend an early hotel reservation. Hotels in walking distance to the acondas_learning lab_berlin are for instance:
